BASECAMP

Moving away from home and starting University classes can feel like a huge mountain to climb. BaseCamp is designed to give you a big advantage as a new student by providing early access to learning that most students don’t seek out until it’s panic time.

On August 24, you’ll move to campus and join your floormates as you learn about your new residence home, the UAlberta campus neighbourhood and all of the resources available to help you succeed.

HERE’S A SNAPSHOT OF WHAT YOU’LL EXPERIENCE AT BASECAMP:

• meet friends and feel at home before busy classes begin
• learn how to survive and thrive in your university classes
• take customized residence and campus tours
• get familiar with campus supports and wellness services
• learn about your meal plan and staying healthy in residence

89% of BaseCamp participants felt the program made it easier to make friends at the University of Alberta!

TELL ME ABOUT ROOMMATES
You can request a specific roommate or we’ll choose your match based on a roommate questionnaire! Roommate information is submitted after you receive a room offer, when you’re completing your confirmation contract. To request a specific roommate, you must both request each other.

HOW DOES THE LISTER MEAL PLAN WORK?
Lister residents all have a ONEcard - your UAlberta student card which is used as their building access. The ONEcard holds your meal plan money and works like a debit card for your meal plan. You can use your meal plan at most restaurants on campus, including the Lister Dining Hall, new campus restaurants and familiar spots like Tim Hortons, Booster Juice and Pizza 73.

CAN YOU ACCOMMODATE SPECIAL DIETS?
The meal plan includes options for vegetarian, vegan, halal or gluten-free diets. If you have food allergies or other dietary concerns, please contact us.

CAN I HAVE A FRIDGE IN MY ROOM?
In Lister, you can definitely bring your own mini fridge (under 4 cubic metres) for snacks and other small items.

CAN MY FAMILY VISIT ME IN RESIDENCE?
Absolutely! Your friends and family are welcome to come for a visit - we even have hotel-style guest rooms in Lister Centre available for a family rate.

CAN I BRING MY VEHICLE?
Parking on campus is limited and UAlberta students have unlimited access to public transit. If you do decide to bring your vehicle, visit the Parking Services website for information about rates and subscriptions at ualberta.ca/parking.

CAN I SEE MY ROOM BEFORE MOVING IN?
We offer Lister Centre tours throughout the year through the Campus Visit Program. You can also visit our website for photos, virtual tours and videos of what it’s like to live in residence.

SAFETY AND SECURITY
We have staff available 24 hours a day to assist with anything from emergencies to lockouts. Intercoms, proximity cards and security cameras add to the safety and security in our residences.
